## BOARD MEMBER NOMINATION FORM 2018

We would like to invite your organization to suggest candidate(s) for the  
ESCC Board of Directors!

The Nominating Committee is seeking candidates with experience on boards and committees, as well as knowledge or experience with diversity (relating to the Aboriginal community, the immigrant community, or the LGBTQ community). Our nominating committee will contact interested individuals and arrange a meeting to answer any questions they may have and to provide information about ESCC and our Board. We welcome the involvement of your organization and would encourage a member of your board (present or past) to consider this invitation to learn more about ESCC.
