

IS A STREETCAR YOUR DESIRE?

THEN BECOME A “STREETCAR *MOTORMAN*” WITH ERRS

Meet hundreds of Edmontonians of all ages in a fun environment.

Experience a living museum while sharing Edmonton’s transportation heritage.

Be part of one of Edmonton’s top ten attractions.

Socialize with a great group of volunteers.

We are the *Edmonton Radial Railway Society (ERRS)*; a group of volunteers that restore, maintain and operate vintage streetcars at Fort Edmonton Park and across Edmonton’s historic High Level Bridge, the highest streetcar bridge in the world.

WE NEED MORE “MOTORMEN” - In summer 2018, ERRS plans to expand our service at both Fort Edmonton Park and the High Level Bridge line. To accomplish this, we’ll need new men and women volunteer drivers. We provide all the training.

WHAT OUR VOLUNTEERS SAY

“I feel privileged to be a member of ERRS and operate these vintage treasures.”

“I love learning a profession that disappeared before I was born.”

“I enjoy meeting & greeting the many happy customers I meet each day.”

JOIN US!

- ERRS volunteers maintain a very flexible work schedule
- Motorman shifts for men and women drivers are available daily May through October
- ***Training begins in April 2018***
- We also have opportunities with restoring and maintaining streetcars.

To learn more about our society or becoming a volunteer Motorman visit our website at edmonton-radial-railway.ab.ca or contact Earl Grotzki at 780-481-3643 or email at secretary@edmonton-radial-railway.ab.ca.
