Research Study: Aging Healthily in Place for Independent Living Seniors
in a Northern City

INTERESTED IN BEING A PART OF A HEALTHIER CITY FOR SENIORS?

Are you 65 years old and over?

Live in your own home in the Edmonton region and
want to help improve senior health and aging through healthy
communities?

If yes, join our study!

What can you do?

Complete a 10-15 minute survey:

- online at <http://j.mp/2WDxaL2>
- on paper from the front desk of this facility,
- or attend an info session to complete a paper-copy of the survey in person, socialize and enjoy some refreshments (if held at this facility).

If you have any questions or would like a copy of the survey, you can also contact Desmond Yim at yim1@ualberta.ca or 780-652-0859.
