BACKGROUND

The Seniors Home Supports Program gives Edmonton older adults referrals to vetted service providers or businesses offering snow removal, yard maintenance, housekeeping, minor home repair and maintenance, personal services, and moving help. Please note: The Seniors Home Supports Program will soon be a part of the Seniors Coordinated Outreach Program and will be accessible by calling 211 or by contacting partner organizations. Changes will be implemented in late 2024. Stay tuned to seniorshomesupports.com for the latest updates.

REFERRAL PROCESS

- When an older adult contacts a participating organization, they are given referrals to several service providers.
- Older adults contact the service providers to discuss the work they need done and the costs. The older adult then selects a service provider that fits their needs and budgets.
- Older adults are not charged for the referral, but they will pay a fee to the service provider for completing the work.
