

EDMONTON Age Friendly Alliance

A network for
the well-being
of older adults.

Powered by Edmonton Seniors Coordinating Council

Be a change-maker - join our Stewardship team!

The **Stewardship Group** leads the Edmonton Age Friendly Alliance.

We bring allies together to help make our city more age friendly.
This means recognizing diverse populations and the needs of seniors, and actively supporting their inclusion, engagement and well-being.

Help us to *engage* with others and *champion* this work.
We're looking for diverse perspectives and wisdom, as well as adults from a wide age range.
We are committed to providing resources to facilitate equity and inclusion, and to reduce barriers to participation.
